

# Mystery of Us

The ink drawings of “Mystery of US”, were created in the years 1976-1977 in Prague. The principal of these pictures is exodus, which is transformed into the line forms of figures of men and women and children in static nature position of spiritual symbolism.”Mystery of Us” is the book for all people who like spiritual drawings which underline the nature of our historical life and our religions. – Libuse Mikova-Mika
